

We call down Holy Spirit FIRE –

JUST LIKE AZUSA ST.

Does your church call down Holy Spirit Fire?

There needs to be a basis of understanding, a common goal and common teaching, God's work & God's word must be true and faithful.

There are some prerequisites for you to know and follow.

(IF YOU DO NOT AGREE TO THESE, NO PROBLEM YOU CAN GO YOUR WAY AND NO HARD FEELINGS AND WE WILL PRAY FOR YOU.)

First, you must agree that the King James Bible is the infallible word of Almighty God given to men. This was given by the Holy Spirit to such men as Isaiah, Ezekiel, Jeremiah, David, Daniel, Mathew, Mark, Luke, John and many others.

You must use ONLY the King James Bible to read from, study, believe in and preach from as it is the word of God. As ALL other bibles are not inspired by God and therefore are not holy and are not of God.

These fake bibles are written by men for financial gain and NOT to spread the gospel.

Second, You MUST 'NOT' TEACH false doctrines such as a (Post or Mid tribulation Rapture). Or any other gospel except the one given by God in the KJV Bible and given unto men, or any doctrine of demons such as following or teaching (Once Saved Always Saved). As this is a lie from the pit of hell. And by following it or teaching it, you will only be tickling ears and leading yourself and others to hell.

Or teaching such abominations as abortion, gay marriage, and accepting Homosexuals, Lesbians, transgender, and adultery that these alternative lifestyles are an abomination to God.

This is the very reason many have left their church in the first place and WE DO NOT WANT TO FOLLOW IN THE FOOTSTEPS OF THE APOSTATE CHURCH.

You must agree to teach the full word of God from the KJV Bible by adding nothing to it or by taking nothing away from it.

These are the Last Days look around and you can see the end is staring us in the face.

There is something I have said in videos that bears repeating.

'What you say and what you do in these Last Days it is more important than you could ever know'.

I once made a video where I told people that one day soon EVERYTHING would collapse. Look at the news EVERYTHING is collapsing and NOW it is on the nightly news. So, I think that argument is over.

And SINCE these days are the LAST DAYS, I think we need to all get in prayer and be pleasing to God. To get in the Will and Grace of Almighty God.

Our time left on this earth for born-again believers, washed in the blood is very, very short.

God is about to take away ALL of the distractions we have had for so many years.

TV, internet, games, sports, work, our money, the bank, stores, electricity, gas, stocks, bonds, economy, EVERYTHING COLLAPSES SOON. Then what will be your excuse for not spending more time with God? God will even take away the value of gold & silver Ezekiel 7:19 What is coming for those left behind will be 'Scorched Earth'.

NOW is the time to get close to Jesus and be in the will and grace of Jesus Christ, to get in God's very pocket.

NOW is the time to set our distractions aside and follow Jesus. Turn OFF your TV and TURN ON your KJV Bible.

As HE is the only way out of our dilemma. ONLY the name of Jesus can save anyone from what is coming.

AND IT IS COMING VERY SOON.

And this is NOT being taught in the church. NOW IS THE TIME FOR A NEW CHURCH!

NOW most churches teach it is fine and acceptable to have an abortion, to be gay, homosexual, Lesbian, transgender or even in adultery. These churches are apparently ignoring many verses that say these lifestyles are an abomination to God. Rather than telling the people the truth and having these people come to repentance, they prefer to be accepting and LIE to the people.

You also need to pray for God to consecrate you, your home and your property to God.

Give it to Him so God can turn your home and your land into Holy Ground.

Many of the people who came out of Azusa St. prophesied that IN the last days the Azusa St. Revival would return stronger, and more powerful than Azusa St. and that this Revival would be in homes, in small groups, BUT not in the church.

(There may be exceptions to this but it will be very few churches that will participate in the coming Revival as God is not in most of the churches).

So, my mission (our mission) is to facilitate that prophecy into reality, the coming of the Azusa St. Revival in the Last Days. Welcome it, pray for it, call upon the Holy Spirit to open the windows of heaven and rain down Holy

Spirit fire upon you, your home and everyone who enters your home (or the location of your meetings.)

There are some alternatives to using your home for meetings. Many hotels have conference rooms they will let you use cheap or even free. A restaurant that has a separate dining area, you might be able to use, especially if you buy drinks, snacks, food etc. But the home meeting seems to be the easiest to do.

As for donations, the Azusa St. Mission near their back door had a box marked, (tithes, donations, gifts). DO NOT teach that people MUST donate, let them each for themselves as the Holy Spirit directs them, puts it in their hearts and leads them to give. ALSO, any funds you are given ALWAYS remember that money is God's money and just be sure you use it for God's work.

Remember: 'where two or more are gathered in my name there I will be also'.

It is NOT the size of the group; IT IS THE FAITH OF THE GROUP.

Always remember that YOU are a precious child of the most high living God who loves you and who treasures you above all the gold of the earth and above all the stars of heaven.

And we love you and treasure you as well.

These ARE the Last Days and we the faithful are going home very soon.

And we will see you on the streets of gold one day very soon.

Matthew 7: 14 Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.

We do NOT do, what we do, for fame or fortune, we do what we do to be pleasing to God. Because IF we are NOT pleasing to God then all is lost.

God Bless you, and God keep you and yours safe in His loving arms, just like He held me.

WITH MUCH LOVE & MORE GRACE FROM ABOVE

Tony Lamb
